OTTAWA 2024
Canada's National Geospatial Conference

GoGeomatics Canada
PO BOX #421 – 207 Bank Street
Ottawa, Ontario K2P 2N2, Canada

Dear Colleagues,

The themes of the conference are: Climate Resilience, Geospatial Leadership & Innovation, GIS/BIM and Digital Twins.

Join us as we invite the Canadian and international community to see the best of our sector.

This event will bring together senior members of the government, business executives and thought leaders in the IT and location technology sectors. We expect to attract 250 attendees and 25-30 trade show exhibitors. The conference is being hosted by GoGeomatics Canada- the largest communications hub for news, jobs and events in the Canadian geospatial community. Participation and support from federal government departments like Natural Resources Canada (NRCan), Environment and Climate Change Canada, and the Canadian Space Agengy the conference will be a can't-miss event.

GeoIgnite's 2024 Sponsorship and Exhibitor Package includes a broad range of opportunities that will allow our participants to facilitate business-to-business (B2B) and business-to-government (B2G) connections, generate sales, increase services exposure, recruit new talent and expand the reach of their brand. To ensure the event is focused on the most relevant topics in the location technology sector, the conference's agenda has been thoughtfully curated by an advisory committee comprised of government, business and geospatial innovation leaders.

Thank you for taking the time to read this letter. I look forward to building a world-class conference program with you. I'm available to discuss any questions you may have. You can reach me at JonathanMurphy@gogeo.ca.

Visit our website www.geoignite.ca

Sincerely,

Jonathan Murphy

Managing Director, GoGeomatics Canada

About GeoIgnite 2024

GeoIgnite is a premier conference where leaders and trailblazers from the geospatial sector will gather in Ottawa on May 13th to 15th. GeoIgnite is designed to go beyond the traditional focus of Canadian geospatial conferences. It is about presenting the future landscape and creating a deeper understanding of emerging location technologies. This conference will provide participants with updates on the newest technologies, cutting edge innovations, and the coming wave of disruptive enterprises.

The 2024 conference program will cast a spotlight on technology, data and services reflecting the digital transformations that are currently taking place on a global scale. Influential organizations and leaders will participate as partners and speakers to share their insights on the intersection of IT and geospatial technologies. GeoIgnite is about giving a platform to the people and innovations set to redefine the industry now and in the future.

In addition to an exciting and informative program, GeoIgnite will utilize on-site mobile app networking tools and provide a networking space for participants.

The GeoIgnite 2024 conference app will allow attendees to learn and network. It will give participants access to pertinent event information such as schedules, documents and other useful tips provided by organizers. By enabling event organizers to provide instant updates through push notifications, our conference app is able to inform attendees and participants of important event information and facilitating engagement.

About GoGeomatics Canada

Founded in 2011, GoGeomatics Canada is the leading gateway to the Canadian geomatics community. We publish the most popular digital magazine in the sector and hundreds of Canadian geomatics organizations use our platform to share announcements, post job listings and advertise events. We have published over 2,200 geomatics articles, and our Canadian Spatial Times newsletter has 5,000+ subscribers. GoGeomatics has an established reputation as the best platform to share ideas, engage the sector, aid in business development, and sustain the growing the geospatial community.

There is a limited number of exhibitor booths and sponsorship packages available, so don't hesitate! Save the date and join us in the nations's capital May 13-15, 2024. Contact GoGeomatics today to learn more about delegate, exhibitor, and sponsorship opportunities!

Brand and Visibility

GeoIgnite 2024 sponsors and exhibitors benefit from a variety of branding opportunities. We will showcase your brand with pre-event marketing, on-site promotions (event signage, photo opportunities and social posts), and post-event (thank you letters, inclusion in next year's brochures, permanent web pages, etc.).

Here's a brief outline of our benefits:

Website & Electronic Advertisements

Event ads with sponsor recognition will be promoted in various industry and association print publications, e-newsletters, partner blogs and websites.

Email Campaign

The event and its sponsors will be promoted via a series of email communications sent directly to the inboxes of thousands of industry professionals.

GeoIgnite Sponsorship & Marketing Opportunities

GeoIgnite sponsorships offer an opportunity to communicate directly with customers and stakeholders within the Geospatial sector. Our marketing reach is growing daily, cementing GeoIgnite 2024 as the leading geomatics conference in Canada.

Why Sponsor GeoIgnite 2024?

- Join the growing geomatics community and engage your target audience.
- Create awareness and visibility for your product or service.
- An opportunity to create brand loyalty by building relationships.
- Reinforce your company image as a leader in your field.
- Generate sales for your services and products.
- Demonstrate your value directly to the target audience.

GEOIGNITE CONFERENCE OPPORTUNITIES

Sponsorship packages include incremental numbers of complimentary conference tickets. This will allow your staff to network with other GeoIgnite 2024 attendees, generate sales leads, and make new industry and business connections. See page 11 for detailed package summaries. Taxes are additional. **All pricing is in Canadian dollars.**

Exhibitor Registration

Terms and Conditions

Please review the GeoIgnite Floor Plan on page 14 and indicate your top-three booth spaces.
GoGeomatics Canada will do its best to provide you one of your preferred booths or something similar. Please note that booth space is given on a first-come first-serve basis based on the deadline of April 30th, 2024 and no booth space can be guaranteed. If the exhibitor has failed to provide their booth selection by the deadline, or if the exhibitor registers after April 30th, 2024, GoGeomatics Canada will assign a booth location. ***GoGeomatics Canada reserves the right to relocate booth assignments based on layout changes and exhibit hall reconfiguration.***
